

2021 WGCSA Couples Dinner – Evening in Eagle River!

Once again the WGCSA is organizing a great evening of food, conversation and friendship with our spouses/significant others! This year we are heading to the Northwoods and have invited the NGLGCSA members and spouses to join us! We have arranged for a great evening of fun and dining at the Kickback Grill located on the water of the Eagle River Chain of Lakes. The WGCSA Leaders hope you will join us to enjoy a night on the town with your special someone and celebrate the end to a golf season that feels like it will never end!

We will be having our event at the Kickback Grill (Hwy 45 North in Eagle River). Our Cocktail reception with Appetizers will run from 5:30-7:00pm and is again courtesy of the Generous Vendor Companies that have again sponsored the event! Dinner will be at 7:15 and will be “off the menu” each couple will be able to order just what they want (no fee for evening but you will be responsible for your own check).

Following the dinner we are planning to go as a group to one or two of the neat taverns and bars in the downtown Eagle River area. Great for conversation and special cocktails if you desire. Please consider inviting one your fellow industry peers and spouses along! Everyone that attends enjoys the evening especially our spouses/significant others!

Those of you needing hotel accommodations we recommend the Best Western Derby Inn which is just down the street from Kickback Grill. Call 715-479-1600.
